

UNITED STATES DISTRICT COURT, DISTRICT OF NEVADA

IF YOU LOST MONEY BETWEEN JULY 5, 2008 THROUGH JULY 5, 2013 AS A RESULT OF INVESTING IN SECURITIES ISSUED BY MRI INTERNATIONAL, INC., A CLASS ACTION LAWSUIT MAY AFFECT YOUR RIGHTS.

A federal court authorized this notice. This is not a solicitation from a lawyer.

- A proposed settlement with ICAG, Inc. (“ICAG”), if approved by the Court, will provide:
 - Payment in the amount of \$265,000;
 - An assignment of account receivable in the amount of \$150,000 owed by Premier Entertainment Services International, Inc. to ICAG (however, there is no guarantee that any amount of this accounts receivable can be collected); and
 - An assignment of a 15% interest in HMC Service Center, LLC (however, there is no guarantee that any amount of this 15% interest in HMC Service Center, LLC can be collected)

to pay claims to investors who lost money between July 5, 2008 and July 5, 2013 as a result of investing in securities issued by MRI International, Inc.

- The settlement partially resolves a lawsuit over whether ICAG was a recipient of commissions from MRI International, Inc.’s fraudulent securities scheme; it avoids costs and risks to you from continuing the lawsuit against ICAG; obtains money for investors like you; and releases ICAG from liability.
- Court-appointed lawyers for investors will ask the Court for 25% of the entire amount that is collected, as fees and reimbursement for expenses in investigating the facts, litigating the case, and negotiating the settlement.
- The two sides disagree on how much money could have been won if investors won at trial.
- Your legal rights are affected whether you do or don’t act. Read this notice carefully.
